

Artemide®

PRICELIST - BENELUX - 2018

Artemide. 5 Years Warranty

5 YEARS WARRANTY

The Artemide logo is positioned vertically to the right of the '5 YEARS WARRANTY' text. It consists of the word 'Artemide' in a serif font, with a registered trademark symbol (®) at the bottom.

Artemide has always provided high quality products. As a result, we are glad to inform you that from April 1st 2015 we will offer to all our end users worldwide (private consumers only) a free 5-year extended warranty, valid only if the product is successfully registered online within two months from the date of purchase.

Conditions for the 5-year extended warranty are as follows:

- Being an end user (private consumer);
- Purchasing the Artemide product after April 1st 2015;
- Registering the product online within 2 months from the date of purchase;
- The product must be new (not second-hand);
- Being the first owner of the product (the warranty is not transferable).

Following successful online activation and claim, the extended warranty will entitle the private customer to a free repair or replacement when the product is determined to be faulty due to manufacturing defect, as stated on its terms and conditions.

For further information please go to:
cloud.artemide.com/5-years-warranty

RECUPEL CONTRIBUTION - Valid only in Belgium since 1 July 2016

Luminaires for incandescent, halogen and E14-27 economy/fluorescent lamps (low or main voltage) and LEDs: 0,0100 €
excl. VAT

LED lights: 0,0826 € excl. VAT

DIMMER TECHNICAL SPECIFICATION

Dimmer: dimmable fixture by means of a switch situated on the lamp structure or on cable (infrared, microswitch, push button, slider control, touch).

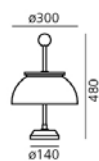

Dimmable: dimmable fixture by means of a remote switch able to manage dimmable sources (halogens, fluorescents, LED Retrofit).

Dimmable (Push): dimmable fixture by means of a remote switch able to manage Push Drivers.

Dimmable (1-10V): dimmable fixture by means of a remote switch able to manage 1.10V Drivers.

In compliance with the Commission Delegated Regulation (EU) No 874/2012 of July 2012 supplementing Directive 2010/30/EU of the European Parliament and of the Council with regards to energy labeling of electrical lamps and luminaires, this price list reports on the left side of each code the reference number of the relevant Energy Label (EL).

The reference to the Energy Label is assigned to each individual device based on its technical configuration at the date of edition of this price list.

Taking in to consideration the development of the light bulb industry, Artemide always keeps its products updated based on the availability of light sources and/or their energy classification; all above said, Artemide reserves the right to align the Class Energy efficiency of its products to the one of the lamps to which they refer.

On the official Artemide website www.artemide.com - "download area" - "energy label"

(direct link <https://www.artemide.com/it/download/energylabels>), updated ENERGY LABEL of each Artemide product code are present and constantly updated.

Artemide **EL1**

 This luminaire contains built-in LED lamps.
